“Antitrust Statement – The purpose of this meeting is to conduct the business of the Gadsden Community Health Council, Inc. (GCHC). There will be no discussion of product of service prices, sales territories, bidding procedures, or any other matters relating to conduct between buyers and buyers, sellers and sellers, or buyers and sellers. The Executive Director of GCHC is familiar with the general restrictions of the Florida and United States antitrust laws and is hereby directed to advise the participants at any and all times of any discussion which remotely approaches areas prohibited by the antitrust laws of Florida and the United States. When appropriate, the advice and participation of counsel will be secured to ensure compliance with the applicable laws.”
